

# Breakfast at the British

Saturday, July 22 | Golf Pride HQ

Rory McIlroy lifted the Claret Jug the last time The Open was held at Royal Liverpool in 2014. This July, the course will play host to the Championship for the 13th time!

In addition to McIlroy, other Open Championship winners have included Tiger Woods, Bobby Jones, Walter Hagen.

This summer, there'll be no better place in town to watch the drama, tension, and journey to title of 'Open Champion' unfold than on the big screens at **Golf Pride's Global Innovation Center**.

You'll be treated to an English breakfast menu catered by Elliotts, a closest to the pin competition on one of Hoylake's famed par 3s from state of the art simulators, and a friendly trip around the nine hole indoor putting course that loops through Golf Pride's headquarters.

Secure a spot as we watch history unfold at the 151st Open Championship!
